Dear Parent / Authorised Guardian of Nursery – Class V

You are cordially invited to attend the annual **Knowledge & Skills Exhibition (KSE)** conducted by the **Nursery and Prep students on Thursday, 22 March 2018 and Classes I–V students on Friday, 23 March 2018.**

The KSE is a fulfilling experience for students and parents because:

- ✓ Students showcase their knowledge and learning skills by exploring and presenting their learning through real life topics before their parents.
- ✓ KSE is an amalgamation of reading, writing, public speaking and numerical skills, team work, fine motor skills and technology integration.
- ✓ KSE is an intensive **Revision period** reviewing key learning strategies and concepts and preparing the base for the next higher class.
- ✓ KSE demonstrates **Higher Order Thinking Skills** and **Autonomous Learning** deployed by students in all subjects and presents a **3-Dimensional Report Card of Academic Effort and Achievement.**
- ✓ KSE is **graded in the Annual Report Card**.

So, please be sure to come and encourage your ward and teammates with your presence and participation in this grand culmination to the year's learning.
